ROSES FROM 8 IN. POTS, 20c EXTRA

THE ROSE MANUAL by J. H. Nicolas. A rose encyclopedia for the amateur. Complete directions for growing roses in the home garden. Fully illustrated, 335 pages. \$2.65 postpaid.

**Giant
California
Asters**

ANNUAL FLOWER SEEDS

Large size packets: Price 10c. Postage paid

Allyssum—White, sweet scented, edging and basket plants.

ASTERS

Asters are valuable for cutting. Will give you flowers the entire season.

Branching Asters, Mixed Colors.

Seperate Colors: Pink, Purple.

BACHELOR BUTTONS

The flowers are double, of good clear colors and with long graceful stems for cutting. **Mixed Colors.**

CALENDULA

One of the best and showiest free flowering hardy annuals. Grows in any good soil, very effective in beds or in mixed borders, where they bloom from early summer until frost. Yellow and Orange shades mixed. **Double.**

CANDYTUFT

Easily grown; is a universal favorite for massing in beds. Successive sowings should be made in the spring and during the summer while the last sowing in autumn will produce flowers early in the spring. One foot high. **Mixed Colors.**

CARNATION

Their delicious fragrance and richness of colors make them very desirable in every garden. **Mixed Colors.**

COSMOS

These are among the most popular and easily grown annuals, making a wonderful display in beds and borders; furnish an abundance of cut blooms in the fall. Sow the seeds early.

Early Flowering Giant—Flowers large with large overlapping petals and on long graceful stems. **Mixed.**

New Double Crested—Flowers are double crested, having double centers with a row of petals around the base. **Mixed.**

LARKSPUR ANNUAL

Well known garden flower. Fine to plant with perennials since a wider range of color is obtainable in seed.

Annual—Mixed shades of blue and pink.

MARIGOLD

The African and French varieties are old favorites because of their free flowering. The African are solid color and dwarf French are fancy striped.

Tall African—Mixed shades of yellow. **Dwarf French** Mixed shades of yellow.

Signata Pumila (Border of Gold)—Dwarf, showy, compact, seldom 12 inches high, golden yellow.

NASTURTIUMS

Extremely popular because they grow rapidly and bloom within a few weeks. The color being so vividly bright and cheery make them a fine addition to any garden.

Dwarf Mixed—Produce enormous flowers on long stems.

GOLDEN GLEAM—Remarkable, new, double, fragrant, yellow. Plant is bushy and flowers large. Semi-double, masses of flowers all summer.

Tall Mixed—The best tall or climbing variety.

PORTULACA--(MOSS ROSE)

Very effective when sown around in front of flower beds or along walks, or when used as carpet-bedding in a rose garden. The plants run freely but grow only a few inches high and are covered with innumerable bright-colored flowers all summer from seed sown outdoors in the Spring. **Double, Mixed. Single, Mixed.**

POPPY

Shirley—Many of the flowers are ruffled and semi-double and they are in all shades of pink, salmon, rose and scarlet. 2 feet high.

PETUNIAS

Few annual plants equal in effectiveness the Petunia for growing in beds and borders or in window or porch boxes. They commence flowering early and continue a sheet of bloom until frost.

Striped and Blotched—Mixed colors and various designs.

ANNUAL PHLOX

Annual Phlox—What garden is complete without the vivid colors of annual phlox? Flowers continuously throughout the entire summer. Mixed colors.

Star Phlox—Mixed colors.

STOCK

Double—One of the most beautiful of flowers, bright colors of every hue borne on spikes. Fine for cut flowers. A splendid mixture of all colors.

SCABIOSA (Mourning Bride)

It is easily and quickly grown, blossoms very freely during summer and fall.

Mixed colors. Double.

SWEET PEA

Plant where there will be uninterrupted sunlight, in good soil. Seed should be sown before the first of April if weather will permit, about 6 inches down in the trench and covered with an inch of firmly pressed soil. Thin out to 2 to 4 inches apart.

EARLY FLOWERING SWEET PEAS

Spencer Mixture—A wonderful blend displaying a wide range of colors and shades.

Spencer Blue Bird—Light blue.

Spencer King Edward—Scarlet.

SNAPDRAGON

Immense flowers on long stems. A magnificent mixture including almost every conceivable color.

VERBENA

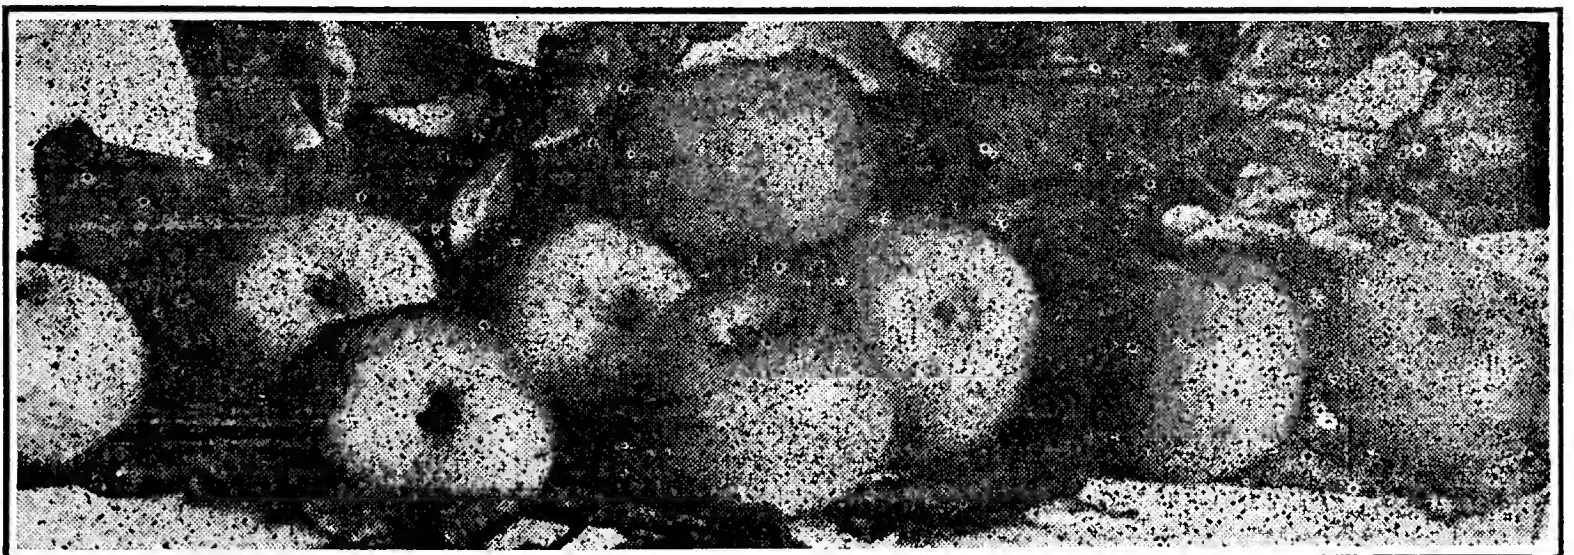

Of all the flowers Verbena seems to be the most consistent bloomer and produces such rare colors that it is a delight to all flower growers—easily grown.

Mixed Colors, containing all shades of red, pink, blue and yellow.

ZINNIAS

Every planting should include Zinnias. Makes a brilliant display from July until frost. They can be sown in rows, in beds or among the perennials. They don't need to be transplanted.

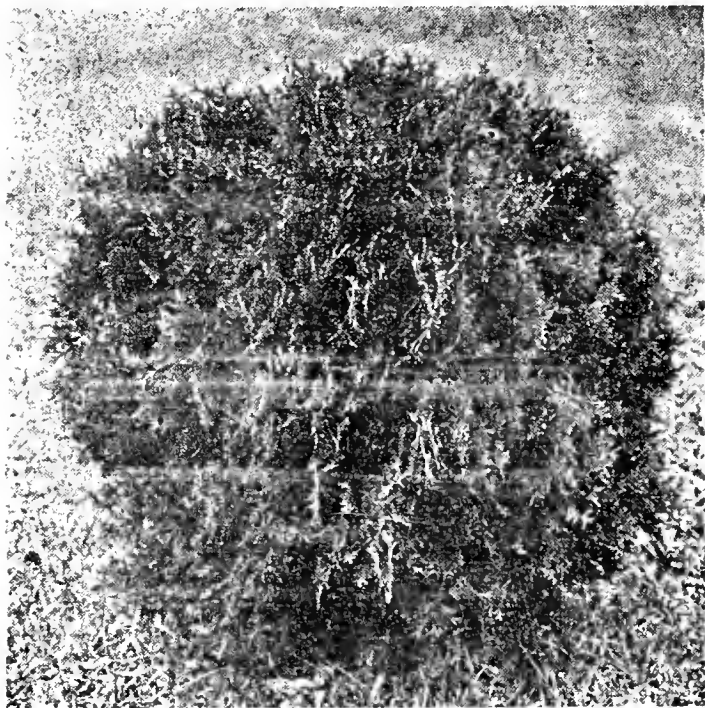

Mixed colors of Giant Colossal Zinnia.

FRUIT TREES and SMALL FRUIT

Special List of Evergreens

FOR THE ROCK GARDEN

Chamaecyparis or Hinoki Cypress—
A feathery leaved evergreen from the orient that makes a fine showing. These are dwarfs.

Obtusa nana. Dwarf Hinoki Cypress.

Obtusa gracilis. Slender Cypress.

Gracilis compacta. Compact Cypress.

MEYER JUNIPER. A plant of unusual color and habit. Frickly, shining blue foliage. Tones of green, white and pinkish-red. Irregular in form and ideal for the rockery.

Tamarix Savin Juniper. Tamarix leaved Juniper.

Juniperous Horizontalis. (Bar Harbor Juniper.) A true creeper, resting close to the ground. Thrifty and of fine color, which is a marine blue.

Juniperous Depressa Plumosa. (Andorra Juniper.) A rapid growing dwarf with attractive, rich purple bronze color. Seldom over 18 inches tall. Delights in full sun.

Taxus Brevifolia Nana. (Dwarf Yew.) The Yew is one of the most satisfactory evergreens and absolutely hardy. Long lived plants of fine winter color.

Arborvitae LITTLE GEM. A very dwarf form of the arborvitae which is very suitable for the rockery.

Irish Juniper. Juniperous hibernica. While not a dwarf we list it because of its attractive appearance; tall spires of light green for the background.

All the above potted plants are in healthy, thrifty condition. Some of the grafts are hard to procure and this is your chance to embellish your rock garden at low cost with unusual evergreens.

PRICES: Each 45 Cents. Ten \$4.00
